RE: MEMORIAL DAY

Every day we honor, respect, and pray, our men and women wearing the cloth of this great nation's military, and their families are safe and not in harm's way. On this special day, Memorial Day, we especially remember all that have made the supreme sacrifice for this country. During times of war, in battle or back home, due to ailments that are borne while serving, or still in a battle even during peacetime, many men and women have made the supreme sacrifice.

As we all hold our country's liberties and freedom dear to our hearts, we still have them because of those that have made the supreme sacrifice. Let us remember them all!

On this day, Memorial Day, May 29th, 2023 at sunrise, raise your American flag briskly to Full-Staff and then solemnly to Half-Staff. At noon, 1200 hrs. raise your American flag briskly, back to Full-Staff. This Day, Memorial Day, is the only day of the year where the American flag flies at half-staff, and then back to Full-Staff at midday.

Respectfully,

Pete Meyer

# In Flanders Fields

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

– Major John McCrae
